

Responsible Leaders Commitment Prayer

We gather today, chosen to be the Responsible Leaders of our Teams. We to reignite the dream of Father Caffarel as we begin another year in Teams.

We ask our Creator God, source of all wisdom and love, to bless our endeavours this year.

We commit ourselves to our Team and pray with all in Teams world-wide as we strive to lead and grow in love, Christian faith and hope.

Our belonging to Teams sustains us in our spiritual journey and we thirst to share this with others.

May we support each other in living out this commitment.

“For where two or three are gathered in my name, I am there among them.” (Matthew 18:20)

Amen.
